

LED EXTERIOR

12V Bollard with clear diffuser

AT5908

Features

- Ideal for outdoor residential and commercial applications
- Compact and robust design
- Two year warranty

Lamp type

MR16 (not included)

Finish

Anodised black and titanium

IP Rating

IP65

Voltage

12V

Product datasheet

Description

12V Bollard with clear diffuser.

Finish

Anodised Titanium (AND)

Anodised Black (BLK)

Product specification

Voltage	12V
Dimmable	No
Warranty	2 years
Working range	-20°C - 40°C
IP Rating	IP65
Electrical classification	Class III
Type of lamp	1x6W MR16 LED Lamp

*Lamp not included

Product range

Code	Finish
