

Features

Modular 8W dimmable downlight with selectable colour temp combined with easy to install push terminals with loop-in loop-out feature. Bezel options include round and square, white and brushed chrome, fixed and tilt. Eight Bezel. Round white is the standard bezel option supplied. Selectable colour temps are 3000K, 4000K and 5700K with 650, 760, and 730Lm outputs respectively.

Benefits:

- One Box Solution for domestic downlighting.
- Easy to install push terminals with loop in and out make this downlight very easy and quick to install.
- CCT changeable and dimmable add to it's versatility and with eight bezel options it is truly one of the most versatile downlights on the market.
