

## Features

The RX lighting Polycarbonate LED Flood range is engineered for domestic, commercial and industrial applications. Trade tested to withstand the unpredictable New Zealand climate and certified with an international IP65 water resistant rating, making the RX Polycarbonate flood range perfect to showcase outdoor architecture in the best light. New stainless bracket model now available. For further peace of mind, the RX Polycarbonate flood range is protected by an industry leading 3-Year replacement guarantee and this includes coverage for exposed coastal area installation.

## Benefits:

- Polycarbonate body and stainless bracket in a range of outputs.
- Now with Stainless bracket to further enhance lifetime.

## Applications

Domestic, commercial, area lighting

## Lifetime

40,000hrs L70  
3 yr warranty
