SAFETY INFORMATION

- Luminaires must be installed and fitted by a qualified electrician ensuring the installation complies to the current wiring regulations.
- The LED's in this downlight CANNOT BE REPLACED.
- Ensure all electrical connections are secure and that there are no loose strands.
- Do not install this product on damp or newly plastered ceilings.
- Always ensure there is adequate ventilation around the driver at all times.

Installation

Read instructions and check you have all the tools and accessories to complete the installation correctly. This product is dimmable via downloading the free WiZ app, compatible smart home voice control (available from independent supplier) or Bluetooth remote control (sold separately).

1. Isolate the mains power supply before commencing installation.
2. Separate diffuser from base plate by twisting diffuser in an anti-clockwise direction.
3. Securely fix base plate to mounting surface (ceiling / wall) using secure fixing methods, ensuring that centre hole in base plate aligns with mains power cable in. Draw the mains power cable through the hole in the base plate in preparation for connection.
4. Connect mains power cable to terminal block on base plate.
5. Reattach diffuser to base plate by aiming the arrow on the diffuser to the identical arrow on the base plate, twist diffuser in a clockwise direction until secure. Your fitting is now ready for use.
6. Restore the mains power supply, fitting is now ready for WiZ setup (see over).

Warranty

Atom products are distributed in Australia by Atom Pty Ltd (Atom). The Australian Consumer Law as well as other Australian laws guarantee certain conditions, warranties and undertakings, and give you other legal rights, in relation to the quality and fitness for purpose of Atom products sold in Australia.

In Australia, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. What constitutes a major failure is set out in the Australian Consumer Law.

Nothing in this Warranty purports to modify or exclude the conditions, warranties and undertakings, and other legal rights, under the Australian Competition and Consumer Act and other Australian laws. Atom products are warranted in Australia for a period specified on packaging from the date of delivery of the product, provided that the products are properly stored, installed, used and maintained in accordance with the instructions contained within their manual.

Products that have been altered in any way or used other than in accordance with their instructions are not covered by this Warranty.

This Warranty is not transferable and is valid only in the hands of the purchaser of the product. The warranty does not cover Atom products other than those purchased from Atom. Proof of purchase must be provided to Atom with any warranty claim. Atom recommends that the purchaser attaches their proof of purchase to their product manual.

If you wish to claim under this Warranty, you must, at your own expense, return the product or that part of the product which you believe is defective, and proof of original purchase, your name, address and telephone number and a certificate installation or other document required by the law for the installation of electrical products in the place in which the product was installed, to Atom at the address above within the warranty period from the date of purchase.

Please note that the Warranty does not cover removal or re-installation of the product or that part of the product which you believe is defective.

Atom's total liability under this Warranty is limited to the cost of repair or replacement of the faulty product. Atom may satisfy its obligations under this Warranty in full by repair or replacement of a faulty product. This Warranty does not apply to consumable items such as lamps or batteries or other items that can be classified as consumable.

For the avoidance of any doubt, any and all warranties or conditions which are not guaranteed under the Australian Competition and Consumer Act or the Australian Competition and Consumer Regulations 2010 and which are not expressly included in this Warranty as additional warranties or conditions are excluded.

This Warranty does not cover loss or damage caused by wear and tear, misuse, incorrect installation or operation, failure to clean and maintain, incorrect voltage or non-authorized electrical connections, adverse external conditions (such as power surges and dips, acts of God, exposure to heat, corrosion, insect or vermin infestation), use of non-authorized or defective parts or globes, or to items that have been repaired other than by Atom or a repairer approved by Atom.
