BRIGHTEN YOUR BUSINESS OUTLOOK

WE MAKE IT EASY

*With **energeasy retrofit** you now have an easy solution to grow your business through encouraging customers to implement energy efficient lighting upgrades today.*

We can manage your lighting retrofit programme enabling you to focus on your core business.

Rexel Lighting are New Zealand's leading lighting solutions provider and part of an international group with a presence in over 38 countries around the world.

OUR SERVICES INCLUDE:

- > **ENERGY AUDIT**
- > **LIGHTING DESIGN**
- > **SUPPLY OF PRODUCTS**
- > **COMPLETE INSTALLATION**
- > **PROJECT MANAGEMENT**
- > **COMPETITIVE FINANCE**

ALL YOU NEED TO DO

- LOOK** When you are on the site check if the business is a candidate for a lighting retrofit project.
- ASK** Present the customer with a copy of the 'Lighten your business energy costs' brochure and use the graph below to explain how **energeasy** pays for itself.
- ACT** Arrange an appointment with the Rexel Lighting consultant to plan the project for your customer.
